No refunds or transfers of the remaining fee will be given if cancellation is made less than two weeks prior to registered camp date.

#### *Exceptions:*

1. Illness/Injury to camper preventing him/her from attending camp (certified by a doctor's statement).
2. Death in campers' immediate family (certified by a minister).

\*No refunds will be given if a camper leaves before the camp session ends.\*

### Homesickness

We strongly discourage visiting your child during their week of camp. Many times, it upsets the camper and other campers whose parents do not visit. We make every attempt to ensure camp is as fun and enjoyable as possible, but there are times when campers become homesick. If your child becomes homesick and is inconsolable, we will contact you to pick them up. Because we do everything possible to help every camper have a wonderful camp experience, these instances are few and far between.

### Dress Code

Clothing extremes such as see-through clothing, midriffs, halter-tops, crop tops, tank tops, spaghetti straps, clothing with suggestive pictures or phrases, shorts above the person's finger tips, when arm is fully extended, are prohibited. Clothing and jewelry shall not advertise any secular bands or contain any wording, picture, image, insignia, or graphic that is crude, vulgar, profane, sexually suggestive, or which advocates the use of alcohol, drugs, violence, or other disruptive behavior. Shoes and shirts must be worn at all times. If a Dean or other person in authority requests that a camper change due to not being in compliance with the dress code, they are expected to do so promptly without any complaint. Casual wear may be worn to services. Shorts or swimming trunks and t-shirts must be worn during lake activities by all participants (no white or see through attire at the lake).

## CAMP TIPS

1. Please label all of your child's clothing and items with his/her first and last name. (This includes disposable cameras as well).
2. Please pack clothing appropriate to the dress code.
3. Canteen cards are available for purchase for the camper to use in the Canteen. Each camper will be given a \$15 canteen card. Additional Canteen can be purchased on registration day. Each camp (with the exception of Primary) will offer additional canteen items including Nachos & Cheese, French Fries, and Chili-Cheese Fries during the evening canteen after service.
4. Please make sure your child has at least one set of old clothing to wear (that can be thrown away if necessary); as some of our fun activities can be extremely messy.
5. If your child has any special medical or dietary needs, please list them on the form during registration and call the office in advance to discuss these with the Director if necessary. This will help us best take care of your child.
6. If your child has to bring medicine to take while at camp, please label the bottle with his/her name and make sure that it is labeled with his/her cabin number upon being assigned to a cabin at registration. **If medicine is a prescription, it must be prescribed to the camper that brings it and it must be in its original container.** Campers are NOT permitted to have ANY medications on them while at camp. Both over the counter, and prescription medications must be turned into the nurse during check-in.
7. We accept debit/credit cards, checks, or cash for payment. **All camper's registrations must be paid in full on or before registration day.**
8. Just a reminder, due to increasing enrollment, you may request one cabin mate. We do our best to house campers from the same church together.
9. All items left at camp will be held in the lost and found for two weeks after the last day of camp. After two weeks, all items remaining in the lost and found will be donated to charity.
10. **We reserve the right to perform a lice check prior to registration or as needed. Any camper found with lice will not be permitted to register.**
