

PARTNER THROUGH

Relationships

Our desire is to build a relationship with you and help you connect with our pastors and leaders of Cornerstone Conference IPHC.

Coaching

Pairing you with someone who has “been there and done” that is essential for building a lasting ministry. We work with Healthy Growing Multiplying Churches (HGMC) to provide individualized coaching from a proven church planter. You don’t have to do ministry alone!

Training

We will assist you in attending one of our church planting intensives to gain practical tools necessary for navigating a church plant. Learn how to Build a Launch Team, Raise Funds, Develop Leaders & Teams, Marketing & Social Media, and much more.

Mother Church

Knowing you have a church family that is praying and interceding for you, offering pastoral care and encouragement, is extremely valuable. Our goal is to pair you with a Mother Church who will make sure your family has the added support you need.

Funding

There is funding available to help you carry out the vision of reaching more people for Jesus!

VISION

The Vision

Interested in starting a new church? Cornerstone will help you develop a plan to accomplish the vision God has given you. One of the most effective ways to reach the unchurched and de-churched people for Christ is to plant new churches. Whether it is starting a house church, a micro-site in your neighborhood, or gathering a team to launch a small, medium, or large church gathering, there is a plan for you!
